

The MacNider Art Museum invites you to support the arts in North Iowa...

A historic Tudor Revival mansion is the home of North Iowa's premiere cultural treasure. The MacNider's permanent collection of 19th and 20th century American art includes painting, prints, photographs, and sculpture by some of America's best-known artists.

Other collections at the MacNider include the famous Bil Baird Puppets and an impressive range of ceramics. These and other works, including traveling exhibitions, are displayed regularly in our modern galleries.

A visit to the MacNider Art Museum offers much to both the first-time and return visitor. In addition to exhibitions, our programs include films, music, tours, art classes, the MacNider Arts Festival, receptions, lectures by artists and curators, and other art-related events. The MacNider strives to provide new and diverse experiences for its visitors.

As a member of the Museum, you're entitled to a wide range of benefits that are not available to our other visitors. You enjoy a full year of art activities and special events, and your benefits more than pay for the cost of your membership.

Your contribution, which is tax deductible, provides valuable support for the Museum's collections and programs. Please see our Membership Levels for more details on the benefits of membership.

Your membership support helps bring outstanding changing exhibitions, educational programs, and preserves a cultural treasure for everyone in our community.
