BIRTHDAY PARTY THEMES (for ages 5+)

- Artastic** – For the Picasso in your family, this party will explore basic art mediums, such as painting, in unconventional ways. Possible projects may include bubble art and squirt gun painting!
- Superhero** – It’s a bird, it’s a plane, no it’s you! Your birthday party will pack a punch with this Superhero theme. Possible projects may include a cape and a mask.
- Planes, Trains, & Automobiles** – From space to sea, this party is sure to be on the move! Celebrate your birthday creating things that fly, roll, float, zoom, and cruise. Possible projects may include racecars and jet packs.
- Animal Lover** – Come on over to the museum for a party any farm, jungle, home, or sea animal would be proud of! This theme is sure to satisfy any animal lover. Possible projects may include animal masks and snakes!
- Creative Construction** – Ready for a party that is out of this world?! Now you can have your party in outer space by creating rockets & alien space ships. Other projects include creating robots & other creative creatures out of outrageous materials.
- Fairytale** – Enjoy your party *Happily Ever After!* You will be taken to a land of kings & queens, dragons, & castles! Transform yourself into a prince or princess by making a special crown & royal attire. Other possible projects include a wand & a dragon.
- Glitz & Glam** – Transform everyday items into glamorous creations! Possible projects include decorating a picture frame, sunglasses, hair accessories, simple jewelry making and more. Reveal the fashionista in you!
- Minecraft**—Bring the pixel art world of Minecraft to life by creating creepers and designing your own characters.
- Pirates & Mermaids**—Ahoy Art! Creates waves with mermaids, pirates, and other undersea creations!
- Custom Party**— I want to pick my own theme! Please contact us to discuss your custom theme idea! This will include an additional fee. This would be a great option for a grown-up party!
