

59th Annual Report ♦ Charles H. MacNider Art Museum
Fiscal Year July 1, 2024 — June 30, 2025

Greetings from the Director!

As we head into autumn and view the changing leaves – we reflect on the past year and the changes that occurred within the Museum itself. At the end of last summer, one of our long-time instructors, Pam Jost, retired after many years of teaching classes. We wish her well and hope that her retirement is filled with happy memories and creative endeavors.

The Museum also underwent a security upgrade regarding access to the building. While the Museum has always had industry standard security – the Museum was part of a city-wide initiative to secure private staff areas. This led to some changes for classes regarding drop off, pick up, and parental attendance at classes. The Museum now follows policies similar to those of the public schools for the safety and privacy of students in classes, which is standard in the industry. This also gives further protection to the valuable collection by further reducing general access to employee work areas where the public are not allowed.

Changes were also made to this year's Arts Festival – youth activities at Festival this year were completely free thanks to a grant from Iowa Arts Council, a division of the Iowa Department of Economic Development. This grant allowed the Museum to offer free activities to allow families that otherwise could not attend Festival to do so. This grant also gave funds to increase advertising and provide funding for the translation of festival posters. The Museum saw a huge increase in the number of attendees as a result, with many stories of first time Festival goers.

Even with those changes – many of our signature events stayed the same: The Museum continued to hold classes for students of all ages. The smallest – art bugs – met monthly to learn about the beginning foundations of art. The Museum also held enrichment outreach classes for its seasoned students – those living in care centers.

The Museum hosted many wonderful exhibitions. *Portraits of Dementia*, a portrait exhibition, allowed for some unique partnerships. The Museum received a grant to allow those diagnosed with Dementia, as well as caregivers, to attend a class together to explore portrait making using a variety of tools and methods.

All these things are made possible by the amazing staff, board members, and volunteers that allow the Museum to fulfill its mission to the public. The Museum's employees work closely together to bring forth the excellent programming the Museum is known for. The Board of Trustees provides guidance and leadership to administer the Museum. To help facilitate these programs, the Museum relies on over 100 volunteers at different points in the year. All these parts fit together like a well-oiled machine to keep the MacNider as one of the Midwest's premiere art museums.

In closing, I want to once again thank the community for the support of the Museum. This is the public's Museum and their overwhelming support has helped it develop into the wonderful place it is today.

Sincerely, Edith Blanchard

Endowments & MacNider Foundation

The MacNider Endowment Program strives to provide long-term economic stability for the Charles H. MacNider Museum. In 1981, the Museum Board of Trustees began the Museum Endowment Program, which continues to grow. Its Fiscal Year 2024—2025 financial report is below.

In 1996, the MacNider Art Museum Foundation was established as a separate non-profit entity for the purpose of building long term financial stability for the Museum. Through its fundraising initiatives and its ability to manage investments independently as a non-governmental agency, the MacNider Foundation is building the Charles H. MacNider Museum of tomorrow for all North Iowans. Your contributions to the Museum Endowment Program or the MacNider Art Museum Foundation help ensure the continuation of the Museum's programs and services now, and in the future.

Gifts may be directed to either the MacNider Art Museum Foundation or to the Museum Endowment. All gifts are deductible for the purpose of computing income, gift, estate, and Iowa inheritance taxes under the laws of the State of Iowa and the United States. The Director and any member of the Foundation Board or Museum Board of Trustees will be pleased to confer with you if you are considering a gift, bequest, or other charitable arrangement.
