## First Artistic Steps: Annual School Art Exhibition

Center Space Gallery • February 20 – April 18, 2026

Display Image from the last Elementary School focused School Art Show in 2023

Every year the Charles H. MacNider Art Museum celebrates Youth Art Month (March) with an exhibition honoring student artists and their teachers. The Museum arranges a three-year rotation between elementary school, middle school, and high school art

students. The 2026 School Art Exhibition will feature the imaginative artwork of elementary school students (grades K-4) from public, private and home schools served by Central Rivers Area Education Agency, Clear Lake Regional Office.

Student artists whose work has been selected for inclusion in the exhibition will be honored at a recognition reception and awards ceremony on Saturday, March 28 at 11:00 a.m. The reception will be hosted by Alpha Delta Kappa, an honorary sorority for women in education. The event is free and open to all.

The purpose of Youth Art Month is to emphasize the value of art education for all students and to encourage support for quality school art programs. Demonstrated outcomes of art education are the development of critical thinking skills, self-esteem, appreciation of the work of others, self-expression and cooperative working skills. Please join the Museum in celebrating these up-and-coming artists.

## Museum Shop Highlights

Center Space Gallery • Continuing through February 7, 2026

*Museum Shop Highlights* is very similar to the Museum's usual exhibitions, with a unique twist. All the artwork on display has been pulled from the Museum Shop and is available to purchase and take home the same day. No need to wait until the end of the show.

Museum Shop Highlights allows visitors to expand their shopping opportunities. They can find unique artworks by talented local and regional artists that will make great gifts for any occasion. Or visitors can find the perfect artwork to fill their home.

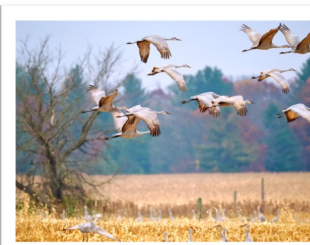

The Museum Shop has been part of the Charles H. MacNider Art Museum's offerings since 1967. It, along with the traveling exhibition and Permanent Collection galleries, is a space in the Museum where visitors can see and learn about art and expand their art experiences. It is also a space in which hands-on exploration and discovery is encouraged.

Reminder: Museum membership discounts will apply to the artworks in this show – become a member now!
